South West International Boat Show gears up for Spring show

The region's largest in-water boat show allows buyers to see boats in their element

The South West International Boat Show, the largest in-water boat show in the Southwest, and the premier sail and power show for new and pre-owned vessels, returns April 6-9, 2017, to the South Shore Harbour Marina on Clear Lake, League City, Texas.

This annual Spring show, will feature boats ranging in size from 10ft. to 100ft, both freshwater and saltwater, ready for boarding and viewing, with pre-season specials and dealer incentive programs available on many models.

“This is a perfect venue to see these incredible vessels up close and in their element,” President of the South West International Boat Show Peter Bryant says. “Being able to see how a yacht or sailboat performs in water allows interested buyers to learn so much more about the vessel.
